Dear Mr. Aceto:

The Delaware Department of Natural Resources and Environmental Control (DNREC), Site Investigation and Restoration Branch has received and reviewed the responses to DNREC comments contained in your January 28, 2003 correspondence, and concurs with the approach outlined therein. Please consider the Phase II Remedial Investigation and Focused Feasibility Study Work Plan approved by our Department.

DNREC respectfully requests that Secor International submit three (3) copies of the final work plan document which incorporates the proposed changes outlined in your January 28, 2003 correspondence. DNREC also requests that it be notified at least one week prior to the onset of fieldwork. If you have any questions, please do not hesitate to contact me at (302) 395-2644.

Regards,

Keith Robertson
Project Manager
Site Investigation and Restoration Branch
